

Almighty God,

We give thanks for all Your great gifts to us. You have called us to be Your people and to share the Gospel of Christ. Fill us with Your Holy Spirit that we may be empowered to share in the work of Your kingdom. Grant us the gift of giving so that Your people may boldly step forward in faith as Your ministry of worship, witness, discipleship, and service continues to grow. May Your kingdom come and Your will be done through us.

In Jesus' Name. Amen.
